

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

KING TRADING CORP.

Claim No. CU - 1098

Decision No. CU 803

Under the International Claims Settlement
Act of 1949, as amended

Counsel for claimant:

Louis Ira Zane, Esq.

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by KING TRADING CORP. in the amount of \$2,841.02, and is based upon the asserted loss of payment for merchandise shipped to Cuba.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

Claimant corporation was organized in the State of New York. An officer of claimant corporation has certified that at all times between February 1947 and presentation of this claim on March 9, 1967, more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act. All of the stock of claimant corporation is owned by Mr. Nat Legon, who is a national of the United States by birth.

The record in this claim includes copies of claimant's accounting ledger pages for the period May 31, 1955 to November 30, 1960, disclosing that during that period, claimant corporation made shipments of merchandise to three Cuban consignees, Cia de Muelles Para Automoviles, Juan B. Herrera, and Ideal Motors de Rivas y Cia, all of Havana, Cuba. These consignees made payments on account at various times. The accounting ledger sheets indicate that on the following dates shipments for various amounts were made by claimant to the consignees:

CU-1098

<u>SHIPMENT NO.</u>	<u>CONSIGNEE</u>	<u>DATE OF SHIPMENT</u>	<u>AMOUNT</u>
1456	Cia. De Muelles Para Automoviles	November 23, 1959	\$560.65
1382	Juan B. Herrera	October 9, 1959	737.01
1477	Juan B. Herrera	December 22, 1959	929.20
1448	Ideal Motors de Rivas y Cia	November 23, 1959	614.16

Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded not only transfers of funds to creditors abroad, but also payment to creditors within Cuba, by numerous, unreasonable and costly demands upon the consignees, who were thus deterred from complying with the demands of the Cuban Government. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The schwarzenbach Huber Company, FCSC Claim No. CU-0019; and the Claim of Etna Pozzolana Corporation, FCSC Claim No. CU-0049).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on November 9, 1959 as to \$737.01, on December 23, 1959 as to \$1,174.81, and on January 22, 1960 as to \$929.20, 30 days after the respective shipments were made to the Cuban consignees.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof, as follows:

On \$ 737.01 from November 9, 1959

On \$1,174.81 from December 23, 1959

On \$ 929.20 from January 22, 1960.

CERTIFICATION OF LOSS

The Commission certifies that KING TRADING CORP. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Thousand Eight Hundred Forty-One Dollars and Two Cents (\$2,841.02) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.

The statute does not provide for the payment of claims against the Government of Cuba. Provision is only made for the determination by the Commission of the validity and amounts of such claims. Section 501 of the statute specifically precludes any authorization for appropriations for payment of these claims. The Commission is required to certify its findings to the Secretary of State for possible use in future negotiations with the Government of Cuba.
